TENA Slip

TENA Slip with ConfioAir™ is an all-in-one incontinence product, which helps to maintain healthy skin, providing breathability and leakage protection. ConfioAir™ allows skin to breathe and the new breathable backsheet and sides help maintain dryness for comfort and healthy skin. TENA Slip now features new wide hook tapes which are easy to fasten and allow multiple adjustments to achieve a perfect fit. The fast-acting, highly absorbent core securely protects against leakage for comfort and dignity. TENA Slip Extra Small is particularly suitable for children.

TENA Pants

A soft, comfortable, disposable absorbent product that can be handled just like normal underwear, encouraging greater independence. TENA Pants provides outstanding security through FeelDry™ technology, which rapidly absorbs even large quantities of urine into the product core and quickly away from the skin, keeping the surface exceptionally dry. The product range also incorporates Body-Close Fit™, resulting in increased discretion and an improved sense of dignity. TENA Pants offer outstanding dryness, comfort and healthier skin for the user. Now featuring a subtle wetness indicator to facilitate effective product use. TENA Pants Plus Extra Small is particularly suitable for children.
